Clinical Neuromuscular Fellowship - Università di
Milano La Statale

Deadline will be December 7th 2018. Further
information can be found at the following web
page

<http://www.unimi.it/ateneo/formint/70871.htm>

Dear Partners,

we inform you that the University of Milan has
launched a new international Clinical Fellowship
Program that will offer the opportunity, for
promising professionals, primarily foreigners, to
spend two years at NEMO Clinical Centre (NeuroMuscular Omnicentre) in one of our
affiliated Hospitals, doing research and clinical activity. With particular reference to
this edition of the program, the fellowship will be activated in the field of Neurology
and candidates able to apply must be medical doctor specialized in Neurology, Child
Neurology, Rehabilitation, Neurophysiology, Neuropsychology and Pulmonology.

Deadline will be December 7th 2018. Further information can be found at the
following web page

<http://www.unimi.it/ateneo/formint/70871.htm>

We would be grateful if you could spread this information through your contacts.

Should you have any doubt, or question, do not hesitate to contact us.
