Dimensional Perspective in ADHD Neurodevelopment as a Foundation for Translational Interventions: The role of executive and arousal attentional processes

The poster features a circular profile picture of Tao Coll Martín on the left. To his right, the title of his thesis is displayed: "#CIMCYCThesis Dimensional perspective in ADHD neurodevelopment as a foundation for translational interventions. The role of executive and arousal attentional processes" by Tao Coll Martín. Below the title is a black and white photograph of Tao sitting at a desk. At the bottom, two circular portraits represent his advisors: Dr. Hugo Carretero Dios and Dr. Juan Lupiáñez Castillo.
