Modulatory factors of grammar learning in second and third languages

The graphic features a circular portrait of Marta Rivera Zurita on the left, smiling against a blue background. To her right, the text "#CIMCYCThesis" is displayed. Below the portrait, the title "Marta Rivera Zurita" is written in white. To the left of the title, there are three icons: a calendar (Viernes, 10 de febrero 2023), a clock (10:00), and a location pin (Sala de conferencias II, CIMCYC). On the right side, a yellow rectangular area contains the text "Doctoral Dissertation PhD in Psychology" at the top. In the center, there is a stylized black silhouette of a person's head facing right, with a vibrant bouquet of flowers (yellow, red, white) resting on their shoulder. The title "Modulatory factors of grammar learning in second and third languages" is written in white script across the silhouette. At the bottom left of the yellow area, it says "PhD Candidate: Marta Rivera Zurita" and "Advisors: Daniela Paolieri Teresa Bajo". The background of the entire graphic has a subtle floral pattern.
