SALA DE GRADOS - PSICOLOGÍA

Título:
Neuromodulation of executive vigilance via transcranial direct current stimulation

Dirigida por:

Dr. Juan Lupiáñez Castillo

Dr. Elisa Martín Arévalo

UNIVERSIDAD DE GRANADA

The poster features a circular portrait of Klara Hemmerich on the left. The main title is prominently displayed in the center. Below the title, the date, time, and location of the defense are listed. On the right side, there is a vertical graphic with a brain scan image and a purple wave. The hashtag #CIMCYCThesis is in the top right corner, and the University of Granada logo is at the bottom right.

Autor: Klara Hemmerich

Fecha defensa: 22/03/2024.

Dirigida por: Dr. Juan Lupiáñez Castillo y Dr. Elisa Martín Arévalo.
